## Foellinger-Freimann Botanical Conservatory Tropical Path Renovation

Project: 2023060

QuestCDN No.: 8914419

### Project Approval Request

#### Scope of Work:

This project includes the removal and replacement of approximately 86' of paver pathway in the Conservatory's tropical house. The current condition of the path is deteriorated and does not meet accessibility standards; the new path will improve safety and accessibility for visitors through leveling, the inclusion of wheel stops, handrails, and appropriately spaced landings.

Four quotes were received through an advertised, public bid process via QuestCDN on behalf of the Board of Park Commissioners on February 1, 2024, and Shannon Concrete was the lowest, qualified bidder.

#### Board Approval:

At this time, I would like to request approval for a contract with **Shannon Concrete** at a total cost of **\$64,400.00**, with the funding to come out of the Conservatory Trust.

The Fort Wayne Parks and Recreation and the Board of Park Commissioners, met to host their regularly scheduled monthly Board meeting on **February 8, 2024**, to approve the above-referenced project and contract, in the amount of **\$64,400.00**.
