Thank you for choosing to hold your event in one of the many beautiful parks in Fort Wayne. We look forward to working with you to ensure your event is both safe and successful. The goal of the Fort Wayne Parks & Recreation Department is to help make the coordination of your event as simple and seamless as possible. Please contact us early in your planning so we can help from the start.

The City of Fort Wayne has over 80 parks available for a variety of uses that include art and cultural events, athletics, community festivals, company picnics, concerts, family reunions, farmers markets, runs and walks, weddings, and many other public and private uses.

Please review the information in this special event guide to help you during the planning process. Each special event is unique and this guide will help serve as a vital resource for your event.

Definitions

**Runs, Cross Country Races, Walks, Bike Races** are organized activities following a set-course starting and/or ending in a City park. These types of events require the rental of at least one pavilion in the park the event will be held in. See below for more information regarding the rental of pavilions.

**General Special Events** are organized activities that require the use of open park space, the closure of roads/sidewalks, often involving food, beverage, merchandise, amplified noise, or other forms of entertainment. This type of event also secures sponsorship, raises funds, and markets to the public. Examples include small concerts, festivals, car shows, etc.

**Special Facility Rentals** are organized activities, either public or private in nature, that require the rental of a park venue such as Freimann Square, Promenade Park, Wells St. Bridge, etc. Fees vary depending on which facility is being rented. Examples of special facility rental events include weddings, festivals, small concerts, etc.

**Neighborhood Events** are small-scale organized activities that require the use of city park space and/or a non-reservable pavilion. Local residents or neighborhood associations typically organize these types of activities and are intended only for the neighborhood residents and their guests. If a neighborhood event requires the use of electricity/water and/or kitchen facilities there will be a $50 open space (non-vending) permit required.
Tent Permits are required any time digging is done in a city park. A tent permit is required for tents, bounce houses, event sign staking, etc. Tent permit fees are $25 for one tent, and $50 for multiple. See page 20 for more information regarding tent permit & staking guidelines.

Organized classes may use City parks as a host venue. Only locations that are open and not already reserved will be permitted spots. A 5-session (no more than 3 hours at a time) permit will be issued for $50. Additional sessions may be added to the permit for $10 each. Permits will not be issued to groups over 40 people.

Non-permitted events that do not require any assistance from Fort Wayne Parks & Recreation or any other City of Fort Wayne department are free to use open park space. These types of events are private events such as a small family picnic, or a family kickball game and are typically less than 40 people.

Pavilion Rentals can be required for special events open to the public or can be used for private events such as family gatherings, reunions, receptions, etc.

The Parks and Recreation Department maintains 21 pavilions at various locations throughout the park system. These pavilions may be reserved for your special occasions or events from Mid-April through October (weather dependent). Selected pavilions are also available year around and are listed below.

Reservations are accepted on a first-come, first served basis up to 12 months in advance. Pavilions are available for rental on a daily basis between the hours of 9:00am and 11:00pm. Reservations must be paid for at least two weeks from the date the reservation was made. For more information on pavilion rental please call (260) 427-6000.

Pavilion reservations require a 20% non-refundable deposit.

*Not sure what type of event you are hosting? Contact us before proceeding any further! It is the event organizer’s responsibility to identify the event type and associated deadline and fees. We can help you with this in advance.*
RESERVATIONS & EVENT LIMITATIONS

Reservation Policy

New events reserve dates and locations on a first-come, first-serve basis. Your date will be tentatively held once Fort Wayne Parks & Recreation has received an application + facility fee.

New event organizers should contact us before applying to ensure their preferred date and location are available. Annual events that receive a satisfactory evaluation have the priority to reserve the same annual date through a written Letter of Intent. Event organizers are invited to submit this letter immediately after the current year’s event. Failure to submit a Letter of Intent within one week will open that date or location up to other interested parties. Please note, annual events will still need to submit a complete application every year.

**This reservation policy applies to events taking place in open park space. This does not apply for pavilions and other rentable special facilities.**

Limitations on Park Events

The City of Fort Wayne is proud to host many unique types of special events as well as all many different forms of passive recreation. To manage the impacts on traffic, parking, access to all park areas, and to limit any park space conflicts, Fort Wayne Parks & Recreation has the final approval on what events take place and where. Depending on the size, type, and nature of the event, Fort Wayne Parks & Recreation may turn down an event request.

Due to the layout of certain parks, multiple special events may not be able to co-exist. Every event and park are unique though so each event request is thoroughly reviewed and considered based on a multitude of factors.

Events with Animals

All events involving one or more animals and taking place within the Fort Wayne city limits require an event permit through the Department of Animal Care and Control. The event permit application can be found here:
Permits are $100. If the event is conducted by a non-for-profit agency the permit is complimentary. All events are inspected by the Department of Animal Care and Control.

All of the other guidelines found in this document will also apply, including permit requirements.

**Weddings**

Fort Wayne Parks & Recreation has many popular wedding spots that can be rented such as Foster Park Bridal Glen, Lakeside Rose Garden, and the Wells St. Bridge. To reserve one of those locations stop into the Fort Wayne Parks & Recreation Main Office at 705 E. State Blvd. or visit www.fortwayneparks.org

Open park space can also be rented for weddings. The fee is $50 (two-hour increments). For more information please contact the special events coordinator at (260) 427-6003.

**Company Picnics**

If you are holding a company picnic and are interested in holding the event in a city park please contact the special events coordinator. Franke Park is one of the most popular locations for this type of event due to the proximity of the Fort Wayne Children’s Zoo. However, adequate parking is minimal unless you are reserving a pavilion as well.

**Open Air Shelters**

There are many open-air shelters in the city parks that can be used at no charge as first-come, first-serve facilities. Some shelters have electricity, restrooms, and or kitchen facility access. If you require any of these amenities there will be a $50 permit required. (see Neighborhood Events above).
SPECIAL FACILITY RENTALS

Freimann Square

Freimann Square, located on the corner of Main and Clinton, is a beautiful park in downtown that can be rented for weddings, gatherings, receptions, and many other types of events. The fountain can be turned off for your event or left on as it otherwise would be. Electricity is available with a park rental. Alcohol is permitted at Freimann Square (see Alcohol section on page 23 for guidelines).

Rental fees are $50 for a two-hour block, or $100 for the entire day. Park hours are 7am-11pm.

For more information including rentals, call (260) 427-6003.
Promenade Park

For more information about Promenade Park and Riverfront Fort Wayne please visit the link below.

http://riverfrontfw.org/

Historic Wells St. Bridge

For more information including rentals, call (260) 427-6248.
Headwaters Park is a 30 acre park in downtown Fort Wayne which provides a setting for a wide range of public and private events including festivals, concerts, cultural events, weddings, family reunions and other parties. There is a free splash pad that is open spring until the fall, and an ice skating rink open late November through February, weather permitting.

For more information regarding Headwaters Park and for rental information please call (260) 425-5745.
Salomon Farm is a 170-acre park located on the northern edge of Fort Wayne at 817 W. Dupont Rd.

In 1995, Chris Salomon and his daughter Lynn presented the Fort Wayne Parks & Recreation Department with a very generous gift—the family farm. In keeping with the Salomon’s wishes, the park remains a working farm featuring demonstration plots utilizing farming methods popular in the 1930’s.

Small animals such as goats, chickens and sheep live on the farm during the summer months and heirloom vegetables and herbs are grown in a garden that is managed by community volunteers.

Special events and programs such as the Fall Harvest Festival, Fiber Arts Celebration, day camps, farmers markets, workshops, and classes provide opportunities for education as well as recreation and entertainment throughout the year.

There are also rental opportunities at Salomon Farm Park.

The Salomon Old Barn, originally built in the late 1800’s, is available for rental between May and October. The barn has been restored to capture the rustic look of the historical structure. Barn capacity is 170.

For more information regarding availability and rates, or to schedule a viewing of the Old Barn please call (260) 427-6790 ext. 1.
The **Wolf Family Learning Center** is available for rental all year long (except June and July). Tables and chairs are provided and full kitchen facilities are also available. The capacity of the learning center is 240.

For more information regarding availability and rates please contact (260) 427-6005.
The Community Center, located downtown at 233 West Main St., offers year-round programs and activities for people of all ages with special emphasis on programming for adults, age 50+.

The Community Center offers fun & games, special events, Monday luncheons, Adult Special Interest, arts & crafts, fitness, advice, computer classes, health information & more!

For more information including rentals, contact (260) 427-6460.
The McMillen Park Community Center, located at 3901 Abbott St. is available for public rental. The Center is the perfect place for your family reunion, birthday party, baby showers, basketball tournament, small or large conference, group meeting, wedding reception or other event. We have a variety of room sizes depending on the needs of your group. Alcohol is permitted at the Center.

The Community Center also offers both youth & adult programs, including athletics, special events, camps, and classes. The Kids’ Korner Indoor Playground is also a popular attraction at the McMillen Park Community Center during public hours.

For more information please call (260) 427-2420.
The Foellinger-Freimann Botanical Conservatory is located downtown on South Calhoun Street between Jefferson Blvd. and Douglas Ave. Come to the Conservatory to discover changing garden designs, art displays, hands-on explorations, family events and educational classes throughout the year. There also Friday night concerts throughout the summer. Private rentals and memberships are available.

Please visit www.botanicalconservatory.org or call (260) 427-6440 for more information.
Foellinger Theatre is located in Franke Park next to the Fort Wayne Children’s Zoo on Sherman Blvd. The Theatre is home each year to many different events including concerts, movies, performances, and other functions. For rental information or more information about upcoming shows and events please call (260) 427-6000 or visit www.fortwayneparks.org
If you are holding an event open to the public (such as a fair, festival, vendor sale, auction, sporting event, etc.) where food will be provided (regardless if it is sold or given away), you will need to obtain a Temporary Food Establishment permit in advance from the Allen County Department of Health. You may contact the Department of Health with any questions about these events and permits. They will assist you in determining if you do indeed need a permit to operate at your event.

You do NOT need to obtain a Temporary Food Establishment permit if:

- You are holding a private event where family members and specific invitees only may attend (i.e.; the public cannot attend and it is not in any way advertised)
- You are holding a public/advertised event that includes food sales/food provision BUT ONLY pre-packaged AND non-potentially hazardous foods are being offered. (Examples of this are pre-packaged commercially made cookies, chips, popcorn, snacks, candy bars, soda, water, etc.)
- You are a not-for-profit organization with a 501 (c)(3) exemption and you are operating under the state rules for events involving food sales. However, you must notify the Department of Health in advance of your event and provide them with proof of not-for-profit exemption.

In any case, it is highly recommended that you contact the Department of Health in advance of your event to discuss the permitting requirements and/or exemption allowances so your event is not interrupted and to ensure you are in compliance with all state and local rules regarding food service and sales. You may contact them at (260) 449-7562 and they will assist you.

A copy of the Temporary Food Establishment Permit application can be found at the end of this document. Guidance and applications may also be found on the Department’s website at: https://www.allencountyhealth.com/get-licensed/retail-food-establishments/ (scroll down to the Temporary Food Establishment guidance on that page).
Selling of Goods

If you are planning on selling any items (including food) during your event you must obtain a Fort Wayne Parks & Recreation vending permit (contact Special Events Coordinator at 427-6003). This permit applies to all city parks and is required. A copy of the Fort Wayne Parks & Recreation vending permit application can be found in the appendix.

If goods are being given away or can be acquired through a donation, the vending permit is not required.

Electricity

If your event requires electricity you may need to arrange for an alternative power source such as a generator as most parks do not have accessible electricity. Power access is available inside most pavilions which can be used with a pavilion reservation.

If using some sort of electrical power inside a tent, generators and other internal combustion power sources must be separated from tent or membrane structure (over 400 sq. ft.) by a minimum of 20 feet. They must also be isolated from contact with the public by fencing, enclosure, or other approved means.

Amplified Sound

All amplified sound and event noise must be kept to a reasonable level. Many city parks are near neighborhoods. It is the responsibility of the event organizer to ensure all event noise is kept down.

Restrooms

Many parks do not have restroom access. Fort Wayne Parks & Recreation does not provide portable toilets. Events over 50 people needing restrooms must contact a local rental company to rent portable toilets, with at least 5% (and at least 1) being ADA compliant. Events serving/selling food products for which a permit is required from the Allen County Department
of Health will require handwashing facilities. Therefore, you may also need to consider mobile handwashing units to meet this safety requirement.

**Potential Portable Toilet/Handwashing Station Contacts:**

- King’s John Services, (260) 748-0441
- Nowak Supply Company, (260) 424-1901
- Taylor Rental, (260) 925-3000
- Fort Wayne Porta Potty Pros, (260) 582-4042

---

**Trash Removal**

Fort Wayne Parks & Recreation requires that event spaces be thoroughly cleaned during and following each event. The space must be returned as close to its original condition as possible. If your event size is over 50 people and/or will produce a sizeable amount of trash you must bring in your own form of trash removal. Event organizers are required to have a trash removal plan in place.

**Potential Trash Removal Contacts:**

- Republic Services, (260) 747-4117
- Waste Management, (844) 492-9417
- Advanced Disposal, (260) 436-8700
- Kirbside Container (Smaller scale events) (260)-633-1900

---

**Event Grounds & Cleanup**

The grounds where your event is held must be returned to the closest possible condition it was in prior to the event. This includes trash pickup, turf/grounds repair, and the removal of all event equipment. Failure to comply with this may jeopardize future rentals. You may also be assessed fees for any damage repairs that need to be done by Fort Wayne Parks & Recreation (See below under Event Evaluation).

---

**Tent Staking**

If your event requires staking or digging of any kind you must obtain a tent permit ($25 for one tent, $50 for multiple). A detailed site map of the exact location of the staking/digging must be provided to the special events coordinator. You must also contact Indiana Underground (811) at
800-382-5544 to get public utilities located. This must be done at least 1 week prior to the staking/digging.

Bounce houses and/or moonwalks will need to contact Indiana Underground as well. Underground utilities must always be located.

Department of Homeland Security

Amusement entertainment permits are required for events with live entertainment. Some of the most common kinds of events that require amusement entertainment permits are concerts and other shows, amusement rides, movies, dances, and festivals. It is extremely important that the event organizer applies for the amusement entertainment permit well in advance of the planned event, so that the necessary life safety inspections of the venue can be performed to protect public safety.

The following information will be required when filing for the amusement & entertainment permit:

- Information about both the owner and location of the facility
- Owner/facility contact information
- Event information (Name, date(s), times, etc.)
- A floor plan of the event must be submitted

A tent or temporary structure in excess of 400 sq. ft. must comply with everything in the Chapter 31 Indiana Fire Code.

A tent or temporary structure 400 sq. ft or less must comply with only the following three specific code sections of Chapter 31 in the Indiana Fire Code (if applicable):

- 3104.7- Open or exposed flame
- 3104.15.5- Cooking Tents
- 3104.15.6- Outdoor Cooking

The online application for the Amusement Entertainment Permit can be found at: https://www.in.gov/dhs/2795.htm
For more information regarding Department of Homeland Security requirements that pertain to fire code, tent anchorage, etc. please visit: https://www.in.gov/dhs/3886.htm

If you have questions throughout this process you can contact IDHS Amusement and Entertainment Staff at codepermits@dhs.in.gov.

**Building Department and Other City Permits**

Any event that is erecting a tent at least 400 square feet must submit an Allen County Building Department Application and Temporary Structure Event Sponsor Form (can be found in the Appendix).

The AC Building Department Application can be found at:
http://www.allencounty.us/images/building_department/pdfs/PERMIT.BLDG.pdf

**A Building Permit is only issued for tents/temporary structures that exceed 3200 square feet. This permit is separate from the Parks & Recreation Tent Permit.**

To obtain a Right of Way permit for block parties, barricades, street closures, public assembly, parking lot use, or sidewalk use please visit:

From there click on the toolbar and it will say “more” then click on the “Right of Way”. Then go to “apply for permit and then the type of permit you are requesting.

For more information please call (260) 427-6155.

**Open Fires**

Open fires are not permitted in city parks without special written permission from Fort Wayne Parks & Recreation. With permission, event organizers must adhere to the requirements of Chapter 31 in the Indiana Fire Code. Portable charcoal grills are allowed; however, they are not permitted under covered facilities.
The type of event you are having will dictate the level of security that is required. Some events will require more officers than others. Fort Wayne Parks & Recreation can assist with this process and help decide what type of security will be needed.

There are only a select number of City of Fort Wayne parks that allow the possession and consumption of alcohol. If alcohol is involved with your event you must include that as part of your event proposal.

All events must obtain an ATC Temporary Beer and Wine Permit. This permit does not cover liquor, only beer and wine.

In order to receive a temporary permit, you must complete the online application at https://www.in.gov/atc/2409.htm. Scroll down to “Temporary Beer and Wine Permit Application.”

For application instructions please visit https://www.in.gov/atc/files/2015_Temp_Permit_App_Instructions.pdf.

Other guidelines to keep in mind when having alcohol at your event include:

- Alcohol must be served by a licensed bartender/caterer
- Keep alcohol in a designated area for those only 21 years old and above
- Hired security is required
- If food will be served/sold at the event, you will need to speak with the Allen County Department of Health regarding any necessary food permits that may be required to be obtained prior to the event (see food section in this document).
- Provide Trash Removal

To request the placement of a temporary water meter you must go online to https://www.cityoffortwayne.org/utilities/city-utilites.html. Near the top of that page hover over “Online Forms” and click down to Temporary Water Meter Application.
When applying for a Temporary Water Meter there are a few guidelines to keep in mind:

- City Utilities requires the enrollment in autopay/e-billing or you will be charged a refundable $27 deposit. The deposit will be on your first bill and refunded on the last if the meter is returned without damage.
- Backflow prevention requirements are required to be in place on all Temporary Water Meters due to the varying types of direct or indirect cross connections and varying degrees of hazards that can occur at temporary water connections.

**Emergency Action Plan Guidelines**

Fort Wayne Parks & Recreation requires all special events to submit an Emergency Action Plan (EAP) that details the plan for crisis management at your event. City of Fort Wayne personnel along with Fort Wayne Parks & Recreation will review each plan and make recommendations as needed.

These guidelines were created to give event organizers information on what should be considered when creating an EAP.

**General Considerations**

When creating an EAP for your event, please address all of the following considerations:

- Who will serve as the EAP representative and point-of-contact at your event?
- Will there be on-site medical care? If yes, provide details and contact information
- Will there be on-site security? If yes, provide details and contact information
- How will you broadcast emergency information to your vendors and event patrons, both before and during your event?
- How do you plan to evacuate people from your event in the case of an emergency? Where are the emergency exits?
- If evacuation is not possible, what is your plan for shelter?
- How do you plan to ensure emergency vehicle access at this event?
- How are you planning to monitor weather conditions and what will be your protocol for a weather-related event cancellation?

Please provide additional contact information for anyone involved with emergency management at this event such as crowd managers, additional event managers, security supervisors, etc.

FREQUENTLY ASKED QUESTIONS

I have an idea for an event---how do I get started?

Contact the Fort Wayne Parks & Recreation Main Office at (260) 427-6000. You will be connected with the appropriate staff person who can help you with your specific request. Our staff will help determine what types of permits your event will require and if your preferred location is both feasible and available.

I’m hosting an annual event. Do I need to reapply?

Yes, annual events must submit a complete application each year.

Why was my event permit application denied?

There could be many reasons event permit applications get denied. There is no guarantee that any event request will be approved. Event denial may result from missed deadlines, incomplete applications, date/park conflicts, policy violations, or a determination by Parks & Recreation staff that the event is not a good fit for the requested park and/or city.

I’m a vendor---how can I participate?

Vendors should work directly with event organizers. If an event organizer accepts a vendor, the vendor must obtain the Fort Wayne Parks & Recreation Vending Permit (see Appendix).

I’ve submitted my application, what are the next steps?

Your date and location have been tentatively held and our office will be in contact with you to provide an explanation of the permit process and requirements that are applicable to your event. Parks & Recreation will also work with other City departments if their input is needed before final approval can be given. This process could take between a few days to a few months.

Guidelines for Vendors License

1. **An application must be submitted at least one week prior to the vending date requested;** location; types of items being sold; type of vending unit being used; contact person and name of organization. All above criteria subject to review and approval by appropriate Administrative Staff.

2. Obtain a valid license including payment of current permit fee as established by the Board of Park Commissioners.

3. All sales must be from a stationary location or from an appropriate vending unit confined to a designated Park road and parking area. **Roving solicitation or “hawking” is prohibited.**

4. Sales must be related to or associated with an approved event, activity, or program and must have the approval of the sponsor of such event, activity, or program.

5. No advertising is permitted on park property or premises except that which is contained on and within the appropriate vending unit.

6. Vendors License is non-refundable/non-transferable.

7. I have read the City Ordinances and Prohibited Vending Areas that are attached. (That is yours to keep.)

**NO DRIVING OR PARKING ON GRASS IN ANY PARK OR PARK STRIP.**

**DO NOT STOP AND VEND IN ANY “NO STANDING” OR “NO PARKING” AREA.**
The vendor hereby releases City and Board of Park Commissioners of and from any and all liability for personal injuries suffered by or damages to or loss of any property of vendor, his associates, agents, employees, customer, spectators, and any other persons patronizing vendors’ wares.

If a tent is required you must contact the Facility Scheduler at 427-6003 to obtain a tent permit.

All fees are non-refundable/non-transferable

I have READ and AGREE to the vending guidelines stated above.

Ordinance 97.22 Licensing of Vendors selling FOOD and NON-FOOD ITEMS:

(A) Every person who vends, sells, or offers for sale from a vehicle, tent or table, food, refreshments or goods and services in or upon any public park or park facility shall, before engaging in such business, obtain from the Department (705 E. State Blvd., Fort Wayne, Indiana 46805, 427-6000) a permit to do so.

(B) The Department may limit the number of any type of permit issued to a quantity sufficient to adequately serve the patrons of parks and park facilities.

(C) The fees for a yearly vending permit for each motorized vending vehicle, trailer or stand, (defined as a temporary structure, tent, table or group of tables at a single location), for each non-motorized vending vehicle, and for a one-day vending license, to cover a special event, shall be established by the Department. Said fees may provide exemptions for not-for-profit, charitable or religious organizations.

(D) All permits issued under this section shall be prominently displayed and produced for inspection when requested by a police officer or park employee or representative, are not transferable, and yearly permits expire on December 31st (thirty-first) of the year in which issued.

(E) The Department shall designate, in writing to each permit holder, the specific times and areas in parks where vending may take place.

(F) No permit granted under this section shall be construed to entitle any person to vend or sell in any place but in the areas specifically designated, nor to sell items other than those designated in the permit.

(G) The Department may negotiate and contract with a concessionaire for exclusive rights to vend food and refreshments in certain park facilities where special vending times, quality or style of food and refreshments are required.
(H) The permit of any person who violates or fails to comply with any provision(s) of this section may be revoked by the Department. (Ord. G-21-04, passed 9-14-04)

(I) The City reserves the right and privilege to stop and forbid the sale, lease or rent of any commodity or item by the vendor or by any of his employees, which, in the judgement of the City or the Department, is considered unwholesome or detrimental to the health of patrons or the citizens of said City.
