TEAM REGISTRATION

WHAT IS DRAGON BOAT RACING?

Dragon boat racing is a traditional water sport that originated in China over 2,000 years ago. It involves teams of paddlers propelling a long, narrow boat decorated like a dragon, complete with a dragon's head at the front and a tail at the rear. The boats are typically 40 to 50 feet in length and can accommodate up to 20 paddlers sitting side by side. A drummer is positioned at the front of the boat, setting the pace for the paddlers with rhythmic drumbeats, while a steersperson guides the boat from the rear. By entering a team for this event, your organization will gain exposure while creating a unique and lively team building experience. The sport promotes teamwork, physical fitness, and a sense of community, making it a thrilling and inclusive activity for participants of all ages and skill levels.

FORM A TEAM AND JOIN THE FUN!

The Fort Wayne Parks and Recreation Department and Riverfront Fort Wayne invite your company, organization or group of friends to participate in the 2024 Fort Wayne Dragon Boat Races at Promenade Park. The fun begins on Friday, August 2nd at 6:00 p.m. with the Opening Ceremony performed by the Chinese Friends and Family Association, live music, food trucks and lighting of floating firepits on the St. Marys River. Teams are encouraged to come early (4:00 p.m.) to set up their team tent in the Athletes' Village on the Auer Lawn. The competition begins Saturday morning August 3rd at 9:00 a.m. with the ceremonial "awakening of the dragon" by dotting its eyes. Racing continues throughout the morning and early afternoon. On-shore games and contests keep the friendly competition going until a champion is crowned.
