PROMENADE PARK EVENT VENUES

Park Foundation Pavilion • Sweetwater Bandshell West/Old National Bank Plaza
Sweetwater Bandshell East/Auer Lawn • Historic Wells Street Bridge

When you choose Promenade Park as the venue for your event, you're choosing a scenic space that's new, exciting, bustling with activity and centrally located along the St. Marys River in downtown Fort Wayne. The park opened in 2019 and quickly became a premier destination for residents and visitors alike. The beautiful Park Foundation Pavilion overlooking the river, the artfully restored Historic Wells Street Bridge, two Sweetwater Bandshells, the spacious Auer Lawn and Old National Bank Plaza make Promenade Park the perfect setting for any special event, big or small.

Promenade Park is also home to the PNC Playground, the Parkview Tree Canopy Trail and teds@Promenade, our on-site café and adult beverage provider. The Sweet Breeze canal boat tours operate out of the park on Thursdays, Saturdays and Sundays throughout the summer and various non-motorized watercraft are available for rent from an outfitter on the north side of the park.

Schedule a tour or visit the park any time on your own to see what the park has to offer.
