Approval Form

PROJECT NAME: 2022 Tree Removal Contract

Quest Number: 8033359

Project Approval Request

Scope of Work:

This proposed project is for the removal of 197 street trees throughout the City that have been identified as presenting the highest level of risk. In the past, this task was performed by in-house forestry crews. Recent challenges to attract and retain forestry staff have made it necessary to subcontract this work. These 197 trees were separated into four smaller lists to attract smaller qualified local tree care companies. 14 companies were invited to bid on each of the 4 lists. 6 submitted bids.

Funding Source: Budget and CIP

Estimated Start: March 1, 2022

Estimated Completion: August 1, 2022

Board Approval:

We are asking the Boards approval for two separate contracts based on the bid results for each individual list. The first contract we are requesting approval for is with Mitchell Tree Company LLC for the removal of 43 trees in the amount of \$27,000.00. The second contract we are requesting approval for is with Worx Companies for the removal of 154 trees in the amount of \$113,880.00. The total for both requested contracts is \$140,880.00.

The Fort Wayne Parks and Recreation and the Board of Park Commissioners, met to host their regularly scheduled monthly Board meeting on **February 17th, 2022**, to approve funding for the above-referenced contracts, in the amount of **\$140,880.00**.

We, the Board of Park Commissioners, on the date stated do ATTEST, and sign to the above referenced and attached documents, and approve as presented.
