

Board of Park Commissioners Approval Form

St. Marys River Streambank Restoration: Phase II Project: 2022032

Project Approval Request

Scope of Work:

This project consists of the restoration and stabilization of two sections of streambank on the St. Marys River in downtown Fort Wayne and the enhancement of an existing canoe launch. The first site begins slightly downstream of the Old Fort pedestrian overlook and continues downstream to the Phase I restoration work. The second site begins at the downstream end of the Phase I restoration work and continues just upstream of the Old Fort's canoe launch.

Quotes were requested on behalf of the Board of Park Commissioners on April 15, 2022. The Stanger Group, Inc. responded to this request with a quote of \$799,160.00.

Board Approval:

I would like to request approval for a contract with The Stanger Group, Inc. at a total cost of \$799,160.00; this contract will be paid using Local Income Tax (LIT) funding.

The Fort Wayne Parks and Recreation and the Board of Park Commissioners met to host their regularly scheduled monthly Board meeting on **May 19, 2022**, to approve the above-referenced project and contract, in the amount of **\$799,160.00**.

We, the Board of Park Commissioners, on the date, stated, do ATTEST, sign to the above referenced and attached documents, and approve as presented.
