

Board of Park Commissioners Approval Form

Fourth Street/St. Marys Pathway Trestle Bridge Design and Engineering Project: 2022051

Project Approval Request

Scope of Work:

This project consists of professional services for the design and engineering of a new, replacement bridge structure that is safe for pedestrian use over Spy Run Creek along the St. Marys Pathway immediately south of Fourth Street. The existing bridge in this location has fallen into disrepair and requires replacement. It is currently being monitored for safety.

Project drawings, specifications, and construction estimates will be completed along with all necessary permitting and construction administration as outlined in the request for proposals.

A request for proposals was sent out to five qualified consultant firms on May 5th, 2022. One proposal was received from Engineering Resources, Inc. on May 27th, with a project cost quoted at \$88,800.00.

Board Approval:

At this time I would like to request approval for a contract with Engineering Resources, Inc. at a total cost of **\$88,800.00**; this contract will be paid using Local Income Tax (LIT) funding.

The Fort Wayne Parks and Recreation and the Board of Park Commissioners met to host their regularly scheduled monthly Board meeting on **June 9, 2022**, to approve the above-referenced contract.

We, the Board of Park Commissioners, on the date, stated, do ATTEST, sign to the above referenced and attached documents, and approve as presented.

William Zielke, Board President

Justin Shurley, Board Vice-President

Cory Miller, Commissioner

Rick Briley, Commissioner

Steve McDaniel, Director/Board Secretary
