Any additions or changes to the scheduled event shall be communicated to the Rental Coordinator in writing no later than twenty (20) business days prior to the scheduled event. FWPRD staff and/or security shall have the authority to monitor the bar.
- f. All beverages served at the bar shall be served in plastic cups, plastic containers, or aluminum cans. Glass and crystal stemware may only be used for beverages served at tables at the Park Foundation Pavilion and may not be taken onto patio.

## **24. Additional Fees**

- a. Rental Space Determination: FWPRD reserves the right to require any renter whose event will reasonably and effectively use the entirety of the park, and which will effectively prohibit FWPRD from renting any spaces concurrently, to rent all available rental spaces. For example: A band performance using the Auer Lawn that will draw such a large crowd as to prevent a private wedding ceremony on the Wells Street Bridge at the same time. This renter would be required to rent all spaces. Final rental determination is at the discretion of FWPRD.
- b. Nonprofit rate: Any organization requesting the nonprofit rental rate must provide all requested documentation supporting nonprofit status asked for in section 2.e.
- c. Vending Fees: Any person, organization, or company selling goods or services or engaging in monetary transactions at the invitation or behest of a renter must apply for a daily vending permit for each event they participate in. The vending permit will be reviewed and approved by FWPRD staff. Anyone providing a good or service which would otherwise be withheld but for a donation is considered a vendor and must have a permit. Anyone accepting donations is also considered a vendor. Those who wish to vend must email the Rental Coordinator with all details of their intended activities, including items or services being sold, space needed, logistical details, etc. If approved, vendor will receive confirmation of approval of intended plans via email. Vendor must then print and attach this approval to the FWPRD vending permit application which must be submitted and paid for at the FWPRD Administration building at 705. E. State Blvd. during normal business hours.
- d. Stanchion: Events renting or using stanchion on the Auer Lawn (or excessive extra stanchion in other areas of the park) will be required to pay an additional fee for their use. Stanchions will be supplied, set up, and torn down by FWPRD staff.

- e. Early arrival: Any renter who arrives early (or their guests, participants, or vendors) and proceeds to utilize the applicable space in a way which reasonably prohibits use by the general public (unloading materials, starting setups, closing off spaces, reasonably consuming spaces, etc.) will be charged the normal rate for that space which will be rounded up to the whole hour. Fees will be assessed and billed after event.
- f. Late tear down/clean up: Any renter who stays past their rented time (or their guests, participants, or vendors) will be charged the normal rate for that space which will be rounded up to the whole hour. Renters will also be charged the normal hourly rate for security officers who are required to stay late. Fees will be assessed and billed after event.
- g. Additional FWPRD staff: The scheduling of additional FWPRD event staff is at the discretion of the FWPRD Rental Coordinator. Additional staff may be required for events which are large, logistically complicated, a potential security risk, a potential risk to the park or park patrons, or for specific tasks such as monitoring of the gas fire pits, docks, etc. Renter will pay per hour for each staff person.
- h. Gas Fire pits: A charge for each gas fire pit will be assessed. A staff person will also be scheduled to monitor gas fire pits.
- i. Security fees: Security is charged at the market rate, which is generally \$55/hour per officer on most days and \$75/hour per officer on City of Fort Wayne holidays (subject to availability). If another security vendor is required (at the discretion of FWPRD), renter will pay full fee. Events which have a large attendance will also be assessed fees for fire marshals, at the discretion of FWPRD and FWFD, and will pay market rate.
- j. Damages: Any damages to the park or property will be assessed for all materials, services, and FWPRD staff time (\$50/hour). Fees will be assessed and billed after event.
- k. Catering fees: See Appendix A. This fee is paid to your caterer, not FWPRD. Other fees from your caterer and/or bar should be expected.

**25. Damage/Defacement of Premises:** Licensee will not injure, mar, or in any way deface the building, gardens, grounds, equipment, or furnishings. No nails, wire, hooks, tacks, staples, screws, or duct tape will be attached to or driven into any part of the building, equipment, or furnishings. Licensee will not make or allow any alterations to the premises. If any part of the premises is damaged by the act, default, or negligence of Licensee or its agents, employees, patrons, or persons it admits to the premises, or if the premises needs excessive cleaning to be determined by the FWPRD due to the Licensee's or its agents' actions, the Licensee shall pay to the Board of Parks Commissioners, upon demand, the sum necessary to restore the premises to its original condition.

**26. Liability For Property Loss/Personal Injury:** The Fort Wayne Parks and Recreation Department, the Board of Parks Commissioners, the City of Fort Wayne and their respective officers, employees, directors, members, agents, departments and divisions neither assumes nor accepts responsibility for any property placed on or about the premises by the Licensee or others on the property at the Licensee's request, property damage, personal injury or death caused by Licensee, its agents, Licensees invitees, or representatives or by any third party relating to any activity, incident, accident or conduct occurring on or about Promenade Park in connection with or as a result of this Contract. Licensee hereby waives, releases and discharges the Fort Wayne Parks and Recreation Department, the Board of Parks Commissioners, the City of Fort Wayne and their respective officers, employees, directors, members, agents, departments and divisions from and against any and all claims, lawsuits, damages, and actions, arising out of the entry upon, operation, occupancy and use of Promenade Park by Licensee, its agents, Licensees invitees or representatives for any reason.

**27. Indemnity:** Licensee shall defend, indemnify and hold harmless the Fort Wayne Parks and Recreation Department, the Board of Parks Commissioners, the City of Fort Wayne and their respective officers, employees, directors, members, agents, departments and divisions from any and all demands, damages, liabilities, costs and

expenses (including reasonable attorney's fees), judgments, settlements, and penalties of every kind and nature arising directly or indirectly out of Licensee's entry upon, occupancy and/or use of the Promenade Park including, without limitation, damages to property, personal injury or death arising from or claimed to have arisen from any act or omission to act by Licensee or any of its agents, Licensees invitees or representatives while on or about Promenade Park. Licensee shall not settle or compromise any claim, suit, or action, or consent to entry of judgment without the prior written consent of the Fort Wayne Parks and Recreation Department without an unconditional release of all liability by each claimant or plaintiff to Promenade Park.
