

Testimonials from 2024 Renters – Salomon Farm Park

“The rental space was beautiful and just what we were looking for! We especially loved the ability to open the barn doors to provide an outdoor feel in an indoor space. It was so fun to have the animals close by too. We loved including the cows in some of our wedding photos! The booking process was very smooth from start to finish. The rental team answered all of our questions in a timely manner. We especially loved working with Amanda. She is so kind and personable which made the whole process even more enjoyable! The customer service was wonderful and all of our expectations were met or exceeded. The price cannot be beat! We loved that we could set up the day before to ensure the space was exactly what we wanted, and the cost was still within our budget! Very competitive compared to other wedding venue options. We also are so happy that our wedding reception was able to take place at a public park that we can visit whenever we’d like and reminisce on our special day. To everyone who made this possible, THANK YOU!!!” 🥰

“Everything was great!”

– *Joel O, Celebration of Life, Wolf Family (Learning) Center rental space –*

“The rental space was a great space for my baby shower. It held a good number of people and a huge perk was that we could bring our own food. There was enough approximate time for setup, party, and cleanup. The cost of rental was reasonable as well. The rental process was easy going and day of help was available if needed.”

– *Robin C, baby shower, Wolf Family (Learning) Center rental space –*

“Everything was perfect for the rental, it was so beautiful and turned out amazing, just like the kids (bride & groom) wanted. It all went smooth, and we had no issues so 5* rating in my book! We would do something there again. You (Amanda) were an amazing help, and we were really happy to have you on hand in case we needed anything, that was really nice.”

– *Jennifer C, wedding ceremony/reception, Old Barn + Homestead combo rental spaces –*

“Yes, we would rent again with you! Everything was clean, easy to access and a wonderful setting for our (graduation) party.”

– Aimee C, graduation party, Wolf Family (Learning) Center rental space –

“We loved the space during our rental at Salomon. The building was clean, spacious, had the tables and chairs available for us, and all around was a wonderful experience. The small cart to bring things in from the car was an added bonus and very helpful to us. I also appreciated having you (Amanda) onsite for any questions that came up during our time there. We would absolutely book with you in the future. In fact, I hope it’s available when our youngest son graduates in six years because we would love to use it again!”

– Brianne D, graduation party, Wolf Family (Learning) Center rental space –

“The facility was absolutely beautiful and perfect for our event! I would highly recommend Salomon Farm Park and the Wolf Family (Learning) Center to anyone looking for event space in the area, and would definitely rent again for my own event needs. The staff who were there, as well as yourself (Amanda), were very pleasant to work with from beginning to end. Thank you!”

– Tiffany N, baby shower, Wolf Family (Learning) Center –

“I only have great feedback regarding the Salomon Farm Park facilities. First off, I really appreciated how you (Amanda) were able to answer all of my questions in a timely manner and meet with me in person to ensure it was the right fit for my (marriage) proposal. As far as the covered bridge and open area in front of it, this was a beautiful spot. It provided us privacy for the proposal while offering a peaceful time in nature. I couldn't be happier with how the proposal turned out and I owe a lot of it to you all at Salomon Farm Park for your space and services provided. Thank you so much! I hope that is some good feedback for you. I truly have nothing bad to say about the area! Thanks again for everything.”

-- Wyatt D, marriage proposal, Covered Bridge –

“We had a wonderful time as always! We appreciate that the facility is clean when we arrive. It was nice that you (Amanda) swept off the entryway before our guests arrived. It was very inviting. We loved the settee with the Christmas tree! Again, very inviting. It was nice to have a sound system so we could enjoy Christmas music as we set up. Communication through email seemed to work very well. It was nice to be able to use the ovens to keep things warm as guests

filtered in. The tables and chairs are in excellent condition and comfortable. It was very helpful to have a cart to carry things in from our car. Seems like you (Amanda) have thought of everything! This is the fourth year in a row we have used this facility and will probably book it again next year! Thanks again, Amanda! You are very good at your job. They are lucky to have you!"

– Jodi C, repeat licensee, family Christmas party, Wolf Family (Learning Center) –

"Yes, we would certainly book with Salomon Farm again! Funny, some Parks Staff who have seen our photos responded, "THAT'S Salomon?!" We also heard wonderful things from our guests who loved the venue. I must also add that you (Amanda) are wonderful with your communication, which is something the facility has going for it! Though our needs were somewhat different, I know that the majority of rental clients depend on those types of offerings as well as the opportunity to follow-up such as with this message. Keep up the good work." 😊

– Amanda P, wedding ceremony/reception, Old Barn + Homestead combo rental spaces –

"Everything was perfect. Only we could have made it better. We appreciate all you (Amanda) did for us and we will keep this venue in mind for future events. I did post a positive Google review as well. Hopefully we get good reviews on your end too. Thank you!"

– Chris and Laura H, Celebration of Life, Wolf Family (Learning) Center rental space –
